Best Times for Conference:

Conference Evaluation Results

Other Comments/Suggestions:

- Move to Lake of the Ozarks or Columbia
- Free Night to go out to Dinner
- Thumb drive loaded with Presentations
- Out by 2:00 or 3:00 at the latest on the last day
- Time during the conference to discuss what was discussed in board meeting
- Workshops

Vendors Requested:

- PPE sales
- Emergency lights and sirens
- Computer programs for reports
- Resources for families
- MCMEA/Coroner clothing and hats

Topic ideas for Future Conferences

- Blood splatter
- Grievance counselors/working with and facing families
- Mass Fatality
- Coroners present unusual cases/cases with “things they did well” or “things they wish they had done different”
- Crime scene photography
- When to request an autopsy
- Crime scene processing/collection of evidence
- External body exams
- Laws effecting coroners
- Chain of custody
- Custody deaths including when to autopsy and state reimbursement
- Workshops for: drownings, fire deaths, airplane crashes, train crashes, child deaths, multiple fatality, suicides, homicides
- Hands on workshops for toxicology collection
- Autopsy process start to finish
- Writing reports
- Working with law enforcement and EMS on scene
- Decomposition ID
- Estimating time of death
- Determining animal bones versus human bones
- Statutes involving coroners
- Identification of natural death versus injury-unknown
- Day to day coroner/deputy coroner duties
